

Cyber Liability

Brian Weibel, Rizikon Inc.

CyberSecurity - It's the risk management "blind spot" that is rapidly evolving into a significant concern for both the private and public sectors. This course invites attendees to put on their "risk manager" hat for an hour as we focus on an area that deserves attention in relation to your organization's safety, security and risk management programs.

[HOW DO THEY GET IN]

Tuesday, April 19, 2016

1:45 PM

DeVos Place

Grand Rapids, MI

A failure to act can affect your business and employees for years to come.
